Join us from **7:40-8:30** in the Lower Level of Hall, for talk by Matt Fradd: *Porn: 7 Myths Exposed*

"It's just harmless entertainment," "She's willing to do it," "I'm not supporting the industry." These and many other myths prevent many of us from seeing pornography for what it truly is: a diabolical counterfeit for love. In this entertaining presentation, Matt exposes what he believes are the most common myths about porn. Then, Matt untwists the lies, shines light on the darkness, and offers hope to those who are ready to reject the counterfeit and embrace the truth. He backs up his arguments with startling statistics, real life stories, and our desire for real, authentic love.
